Priya Sharma

Email: priya.sharma@example.com | Phone: +91 9876543210
Portfolio: https://priyasharma.dev | GitHub: https://github.com/priyasharma

Technical Skills

- Python
- SQL
- Machine Learning
- Pandas
- NumPy
- TensorFlow
- Scikit-Learn
- Docker
- AWS
- Git
- GitHub
- Linux

Education

Bachelor of Technology
Delhi Technological University
2019 - 2023

Work Experience

Data Scientist | Neural Analytics 2023 - Present

- Built predictive ML models using Python, Scikit-Learn, and Pandas.
- Deployed computer vision pipelines using TensorFlow and Docker.

Key Projects

Medical Image Classifier (2022 - 2023)

- Developed CNN architecture with 94.2% test accuracy.
- Packaged inference engine into a lightweight Flask REST API.
